GN-1. Plaintiff (name): Sosaia Havea

alleges that defendant (name): The City Of San Francisco

☐ Does _____ to _____

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): 1993 to 5/21/2023

at (place): City of San Francisco

(description of reasons for liability):

Title 42 U.S.C. Section 1983 states that municipalities may be held liable for monetary damages if theory of municipal custom is proven.

listed here are several instances that prove there is a municipal conspiracy which is depriving me of my 14th ammendment. I believe that this city must answer for its failure to safegaurd its citizens from this conspiracy. The incidents listed here are only the incidents that happened in San Francisco

In 1993 Princess Diana commanded my mother to drink bleach. I sued her for 36 million. When asked my family denies any recollection of such an incident (proof of a conspiracy)

in 1994 multiple donations to MUNI were given in honor of my 12 million dollar Donation (this proves that my trial against Princess Diana really happened and that foreign dignitaries are involved in this conspiracy)

in 1999 Jennifer Lopez sued my church because I peed on her foot (this proves that a conspiracy does exist)

in 2005 Natalie Imburglia, Alanis Morisete and avril lavigne were sued for exposing themselves to my class they are Celebrities (this also proves a conspiracy exists)

In 2018 An unknown mental health hearing officer told me I was at the center of a government conspiracy and that mine and my families lives were in danger. He also told me to kill myself several times 12 times. (this proves that the auditory hallucinations I have been struggling to supress are real and that a well settled conspiracy exists)

in 2023 I asked my church elders if they remembered a 7 million dollar donation that was donated by my aunt in 1995 they remained unresponsive. the reason I ask is because my family is denying any recollection of my trial against Lady Diana (this would prove the incident with Lady Diana really happened and confirm that I am at the center of a government conspiracy)

Proximity to famous people and angry judges prove that there is a government conspiracy commanding me to kill myself or I'll be abducted and tortured to death. I suffer from acutely responsive auditory hallucinations commanding me never to seek justice otherwise ill be abducted and tortured to death. As a result of these auditory hallucinations and physical instances of people physically commanding me to kill myself I have decided that I am too psychologically vulnerable to be subjected to everyday work environments. as a result of my inability to work my family is facing eviction. my brother passed away in 2020 and I suspect that his death may have been due to this conspiracy.
